

Update your address:

As an F-1 and a J-1 student, you must update your current address.

Logon to Student Center at <http://gateway.sfsu.edu> and update your personal information. Start from the "Mailing Address" and "Home Phone"

The screenshot shows a web interface for updating personal information. At the top, there is a blue header with a dropdown arrow and the text "Personal Information". Below this, there are several links: "Demographic Data", "Emergency Contact", and "Names". A dropdown menu is visible with the text "other personal..." and a right-pointing arrow icon. To the right, there is a section titled "Contact Information" with a light blue background. This section contains two columns of information. The left column has a link for "Mailing Address" followed by the text "123 ABC Street" and "San Francisco, CA 94132". Below that is a link for "Home Phone" followed by the text "415-555-5555". The right column has a link for "Address 2" and a link for "SFSU Email" followed by the text "name@mail.sfsu.edu". Two large orange arrows are overlaid on the image: one points from the top left towards the "Mailing Address" link, and the other points from the top right towards the "Home Phone" link.
